Astrological Compatibility

Astrologically, each individual is represented by a chart of the planets and houses at the moment of his birth. By comparing and contrasting the interrelationships of two separate charts, the astrologer can reveal the many ways and many levels that two people relate with each other. This is the astrological art of synastry as it has been practiced for several thousand years.

This report analyzes each of the two selected charts and interprets the astrological connections between them. The charts' data, along with planetary positions and house cusps, are printed on the previous page. There are four possible sections to this report, two for each of the charts. Any one of them, or all four of them, will be included here depending on which were requested. For each individual the two possible sections are: 1) How this person approaches relationships. This section considers only the one chart, and is appropriate for all relationships this individual makes. 2) How this person relates specifically with the second person. Here each paragraph interprets a contact between the two charts from one chart's point of view. The text here pertains to this one relationship only, and should be understood in light of the actual nature of the relationship.

Remember that every relationship contains points of similarity and harmony as well as points of conflict and discord. Through understanding, it is possible to cultivate and encourage the positive and harmonious, and keep relationships growing and fruitful through the highs and lows of the passing years.

Report for Franklin D. Roosevelt

How You Approach Relationships

You're a demon for details. There is no question in anyone's mind that you have got it all together, at least from an organizational standpoint. You are indeed cool, calm, and collected. Yet there is something missing. You yearn for contact and involvement. You need something to do and someone to care for. Talk about loving punishment -- you feel responsible for just about everyone, and tend to end up with some pretty hopeless cases. And we're talking major dreamers here. You can't resist them -- the woolier, the better. They need your help and can't seem to help themselves. The funny part is that you love it, and them!

Pisces on 7th Cusp

You have a penchant for dreamers, mystics, and the highly imaginative. You love to get carried away romantically, and your friends may find you are unrealistic and often disappointed. You like love right out of a romance novel, complete with a sense of mystery and otherworldliness. You value imagination in a lover, and probably love movies and music.

Neptune Ruler of 7th

Report for Franklin D. Roosevelt

Strengths in your relationships

When it comes to self-expression, you are a natural and can always put what you feel into words. Your mind is quick and tends not to get bogged down in emotional issues. You would do well in any of the communication fields, and are an excellent speaker. People find it easy to get a sense for a subject when you put it into words. You write well.

Mercury Trine Mars (orb: 00 09')

Others soon learn how responsible you are, and that they can depend on you for real support. Sure, you are perhaps a little too organized and run more cool than hot, but you really do care and never let your friends down. Whatever you do is built upon a solid foundation, and that includes relationships. Too serious? Aloof? Perhaps, but you are loyal, dependable, and don't enter into relationships lightly.

Moon Sextile Saturn (orb: 00 11')

You tend to like partners that are authority figures, perhaps older, or dignified, in one way. You are warm, appreciative, and tend to lavish affection on those you can look up to and respect in some way.

Sun Conjunction Venus (orb: 05 05')

You communicate very well, and it is easy for you to give others a feeling for whatever you're thinking. You tend to believe that there is almost no problem that cannot be handled with words, by talking it out. You could be a fine speaker. Your natural sensitivity for the feelings and thoughts of those around you makes you a valued community member. Needless to say, you want a partner who is at home with feelings and -- above all -- likes to talk.

Moon Trine Mercury (orb: 08 45')

You are attractive and tend to be physically active. You just might participate in or manage some athletic endeavor. You are in tune with your feelings and really know how to play a crowd for the maximum response. You can always count on support from those around you. You seldom hide how you feel and therefore are no stranger to an occasional argument. You probably got a lot of emotional support as a child, especially from your mother.

Moon Conjunction Mars (orb: 08 54')

Report for Franklin D. Roosevelt

Challenges in your relationships

You find yourself hampered by authority and elders. Too many rules and regulations may inhibit or put a damper on what your heart feels like doing. You may procrastinate and put off attending to the necessities, with the result that duties tend to pile up. You might be somewhat defensive about expressing your real likes and dislikes for fear of being criticized or cut down. You don't always play by the rules.

Venus Square Saturn (orb: 00 04')

You may have a tendency to poke your nose into others' business. You can't resist, and yet you're often afraid of what you'll find. Skeletons in the closet and sensitive areas of people's lives both fascinate and terrify you. You have trouble just coming right out and dealing with a touchy subject. It puts you through too many changes. You would rather snoop around.

Mercury Square Pluto (orb: 00 13')

You may have a fear of taking the plunge, letting go. Perhaps you are hesitant to trust your vision or your dreams, lest they overpower your day-to-day routine. As for relationships, you tend to worry about being deceived. There is tension present as to just how much you dare trust your more mystical side. Perhaps you have been disappointed by authority figures, more due to your over-idealizing them than to their own faults.

Sun Square Neptune (orb: 02 41')

Often, through no fault of your own, you find yourself at odds with authority, the law, and conventions in general. Maintaining a good self-image may be difficult. There is a tendency to leave things unfinished, or to not do a thorough job. Success for you comes thru hard and precise work. You need a partner who will work with you while you find your own way.

Sun Square Saturn (orb: 05 01')

You have a tendency, or perhaps a knack, for ignoring good advice. More than once you have found yourself at odds with the correct, or prescribed, way of doing things. This could manifest in a problem with authority figures. For example, you may tend to disregard the suggestions of an authority figure, perhaps your father. You have trouble doing just a little, and tend to be extravagant.

Sun Square Jupiter (orb: 05 50')

Everyone who comes to know you will remark on your high ideals. You are indeed a beautiful soul, and you probably suffer many disappointments. Friends may see you as unrealistic and otherworldly, afraid to put your dreams to the bitter test of life and actuality. Those close to you may feel that your continual disappointments are a deception on your part, a refusal to face life.

Venus Square Neptune (orb: 07 46')

Report for Franklin D. Roosevelt

Your Relationship with Tina Turner

You have found a real spiritual friend in Tina. She tends to feel the same way you do about philosophical and religious issues. You find her very supportive, a real collaborator when it comes to ideas and issues of importance. Both of you are real talkers, and probably tend to burn the midnight oil once you get going. It is possible that she may introduce you to new spiritual and metaphysical concepts or strengthen any beliefs you already have. Long trips might be in order.

Her Moon in Your Ninth House

At last, someone you can really talk with. You should have become instant friends from the very start. Tina is the kind of person that is intellectually stimulating. Together you could spend great amounts of time exploring ideas and concepts, taking walks, and even short trips. Talking until dawn is not impossible with her. The platonic thing was there from the start, and there is a sense of the brotherly and sisterly between you. No matter what else, you will always be first and foremost, good friends.

Her Sun in Your Third House

She is a talker, and you're no slouch yourself. When the two of you get together there is little room for anyone else in the conversation. You both connected intellectually and mentally from the very beginning and seem to have a world of things to discuss. When you can't get together, you may talk on the phone or write voluminous letters to one another. Communication is so strong between you that it is possible for you to team up and collaborate on writing or speaking projects. Take the show on the road.

Her Mercury in Your Third House

She seems to appreciate your more domestic and homey qualities. She likes the way you are, personally and emotionally. Tina tends to bring out the parent or protector in you and tends to banish your thoughts of coolness and distance. You have thoughts of home life and domesticity when you are with her. The idea of putting down roots, settling down, and just living life takes on value through knowing her.

Her Venus in Your Fourth House

When all is well, the two of you manage to get a lot done, attending to all of the responsibilities that need caring for. She drives you to a greater response than you could provide on your own when it comes to taking care of business. However, if you are the least bit upset or overloaded, you may experience Tina as too much of a good thing. She may irritate you. Or you may get critical and petty with one another. The whole thing can be hard on your nerves.

Her Mars in Your Sixth House

Tina may have been the means for you to meet many new people in your life. You like to be

in the public and feel social when you are with her. She makes it easy for you to respond to others, understand them, and share in the common experience of life. She could be instrumental in leading you into a career involving the public or bringing your current career into greater public attention. There is a real sense of comradery with you two.

Her Jupiter in Your Seventh House

It may be hard to get personal with Tina, and this may be a toughy if you're thinking about doing business together. You may feel tied down and unable to work efficiently or profitably. You may lose sight of what is essential in any personal or business venture. You could accumulate debt. Not a traditional sign for a good business relationship.

Her Saturn in Your Eighth House

Tina could be a teacher for you -- sort of a life teacher or guide. Not what you would call a tranquil relationship, it may be subject to fits and starts. When you are with her, you may experience real insight into the nature of life -- spiritual ideas. She has unusual and possibly quite radical views of religion. Her approach is what is so different. It is possible that through her you discovered an entirely new way of looking at your life and the world. It's on again, off again.

Her Uranus in Your Ninth House

You find Tina enchanting and are easily carried away by her eloquence and non-worldliness. There is a dreamlike quality to your relationship, as if it were being somehow carried out on some higher plane. When you are together you feel a sense of unity and oneness. A lot of the pettiness of life seems to drop away. You may wonder whether this is too good to be true or if the two of you are just deluding yourselves. You may love water and the movies.

Her Neptune in Your First House

She is very dynamic, and you probably met her in a group of friends or at a community function. She may instantly set about forming a new group of friends for you to hang around with, or she may advise you on which groups and projects are really worthwhile. Tina will strip away a lot of needless social niceties. Through her you may be exposed to a more radical form of politics or group goal than heretofore. She is very serious about all of this.

Her Pluto in Your Eleventh House

Report for Franklin D. Roosevelt

Your Moon Trine Her Mars (orb: 01 06')

This is about as close to a mutual admiration society as any two are likely to get. Tina is very supportive of your values and ideals. You might even feed on this. You have always felt simple admiration and appreciation for her. You just like the way she is.

Your Venus Trine Her Moon (orb: 01 13')

You find Tina's way of thinking and speaking just to your taste. You have a natural sense of appreciation for her mind and the way she communicates. She has a knack for putting your own ideals and values into words. You probably have fantastic conversations.

Your Venus Sextile Her Mercury (orb: 01 39')

Tina may be a real help when it comes to disciplined thinking, mental organization, and study in general. You are able to talk about her problems easily. You are able to put into words situations in which she finds herself.

Your Mercury Sextile Her Saturn (orb: 01 53')

You just appreciate Tina, perhaps from the very start, and she knows it. You value her just as she is. She dotes on being the object of your affections. This is a very nice combination.

Your Venus Sextile Her Sun (orb: 02 01')

You can see and understand where she is coming from. You like her sense of values, and aren't afraid to tell her about it. She values you for your mentality and skill with words. She likes the way you think.

Your Mercury Sextile Her Venus (orb: 02 10')

She has a way with words which you find flattering and interesting, since the subject is often you. She enjoys talking to you and may also write you letters. You find her stimulating mentally, and communication is most often smooth.

Your Sun Sextile Her Mercury (orb: 03 26')

You understand how she feels, and you find it is easy to cheer her up and generally facilitate her emotionally. She is very supportive, even protective of you. This is a healthy

relationship.

Your Sun Trine Her Moon (orb: 03 52')

She is a real driving wheel for you when it comes to your writing and speaking skills. She can push you to be more articulate, even eloquent, than would otherwise be the case. Conversations with Tina are always wordy and animated, at least from your end. You may find it easy to put her feelings into words.

Your Mercury Conjunction Her Mars (orb: 07 39')

This could be a very physically satisfying relationship, one with lots of action and good emotional exchange. Work hard; play hard. You may have a healthy sense of competition, since you both tend to urge the other to greater heights. Sports or exercise could be important.

Your Mars Trine Her Mars (orb: 07 48')

Report for Franklin D. Roosevelt

Challenges in your relationship with Tina Turner

You may feel that Tina is a hopeless dreamer, and you may refuse to get behind what you term escapism on her part. Your own ambitions run counter to her own sense of mystery and idealism. She may disappoint or deceive you.

Your Mars Square Her Neptune (orb: 01 46')

Timing could be off between the two of you. Your drive and ambition fail to link up with her ideas of career and success. You may feel that she is not a good decision-maker and tends to squander your assets.

Your Mars Square Her Jupiter (orb: 01 52')

Tina may not appreciate the way you present yourself and act. Your basic energy, the way you feel, is counter in some way to her values and ideals. She may act aloof. You may have a tendency to be a bull in a china shop when it comes to what she cares about.

Your Mars Opposition Her Venus (orb: 02 02')

You can't appreciate her continual need for self-analysis and confrontation. She never seems happy unless she has reduced every meeting to its lowest common denominator. She may go against all that you hold dear, and drag you through scene after scene. A problem.

Your Venus Opposition Her Pluto (orb: 03 13')

There may be some problems in communication. You may find it difficult to talk with Tina, or attempts at communication end up in a standstill. Her attitude and manner may leave you feeling frustrated, unable to communicate.

Your Mercury Square Her Sun (orb: 06 52')

Tina may feel that she doesn't have your support when it comes to matters of career and life direction. There may be hard feelings. You may find the decisions she makes upsetting to you emotionally. Her basic philosophy of life can sometimes be at odds with the way you are feeling.

Your Moon Square Her Jupiter (orb: 07 01')

Her unconventional manner may irritate you. You may feel she is just being different for the sake of being different. There could be sharp words between you, or you may find it fruitless to discuss certain subjects with her.

Your Mercury Square Her Uranus (orb: 07 46')

You never know what to expect with Tina. Her need for variety and the unusual may conflict with your own more conservative trends. She may tend to be a rebel, with you always playing the authority figure. Sometimes hectic; seldom boring.

Your Sun Square Her Uranus (orb: 08 17')

She may feel that you pooh-pooh her fears and worries. Her own need for sensitive self-examination and transformation may not appeal to you, with the result that you may sidestep her little confrontations. There could be a bit of a power struggle, complete with explosions.

Your Sun Opposition Her Pluto (orb: 08 18')

How You Approach Relationships

You are warmly generous and always gracious with others. You have an innate sense of playfulness and self-discovery that endears you to all who come to know you. You will always have a bit of the child about you, and you tend to require considerable attention from a mate. Anyone who gets to know you knows that you take yourself ever so seriously. You prefer a mate with great ambitions and plans, who dares to dream the impossible dream! You benefit from being drawn out of yourself by someone with less self-consciousness. Above all, you really value a close friend -- especially in a lover. You are attracted to visionaries with broad humanitarian goals.

Aquarius on 7th Cusp

You love the oddball and the unfettered. You may be drawn to social visionaries and to unconventional types in general -- a taste for the bohemian. You may have many unusual relationships of short duration. There is an on-again, off-again, quality to your affairs. You depend on relationships for insights into yourself and your life.

Uranus Ruler of 7th

Relationships are always deeply moving experiences for you. You have powerful feelings and can't seem to hide them from others. You're OK when alone, but as soon as you get with a group you can't seem to ignore what you feel. Everything has the tendency to get right to your gut. Marriage is almost unavoidable, so important a role will it play for you. And the road to (and through) marriage is more likely to be turbulent than tranquil. You are committed to all relationships with all your heart. You would make an excellent marriage counselor once you learn to manage your own situation.

Mars in 7th House

Report for Tina Turner

Strengths in your relationships

You dote on responsibility, and love to bring order and discipline to anything (or anyone) you are involved with. You wouldn't be caught dead in an extravagant display, not because you are a cheapskate, but because of your natural love of thrift and economy. Family and loved ones get first class care and service. Others will value you for these qualities. You probably love to work.

Venus Trine Saturn (orb: 00 17')

You manage to cram many lifetimes into one, for it seems like you're always being reborn and starting life over again. Others may have a hard time keeping up with your changes. You do well in face-to-face and gut-level situations that would exhaust most people. You really come into your own when the going gets tough or when it's time to "get down" and face facts. Good leadership potential for emergency situations

Sun Trine Pluto (orb: 01 13')

You communicate with consummate skill, and it is stimulating just being with you. Your high degree of mental concentration makes you an excellent student, able to excel in speaking, writing, and all types of communication skills. You appreciate a partner who is eager to listen to you and supports what you have to say.

Sun Conjunction Mercury (orb: 03 40')

You have always had a sense of being special, and of having experiences perhaps others have no memory of. You can handle even the most sensitive areas of your (or another's) mind, and have no problem with controversial and upsetting topics like death, dying, sex, and the like. You can't help being a psychologist of sorts. Sometimes it seems like the universe delights in showing its secrets just for you. You have a sixth sense for values, money, property -- opportunities.

Moon Sextile Pluto (orb: 04 26')

Very sensitive areas of conversation that might intimidate most (taboo subjects, etc.) don't bother you at all. You always persevere and keep right on investigating. You are expert at getting straight to the heart of things, and would make a super sleuth, or researcher. The deeper a secret is buried, the more likely it is that you will turn it up. And when it comes to money, sex, and other highly charged issues, pity anyone who tries to manipulate you. That's your bailiwick, and there are very few who can stand to argue with you.

Mercury Trine Pluto (orb: 04 52')

You have an uncanny sense of justice coupled with an innate ability to interpret the law, whether manmade or natural. This may manifest thru your showing others the way thru, or beyond, the problems in their lives. A practical sense of how to manipulate the opportunities

that appear in life. Just plain luck! A natural love for those with more experience or authority. A teacher, or benefactor, is likely.

Sun Trine Jupiter (orb: 05 08')

Report for Tina Turner

Challenges in your relationships

Everyone who comes to know you will remark on your high ideals. You are indeed a beautiful soul, and you probably suffer many disappointments. Friends may see you as unrealistic and otherworldly, afraid to put your dreams to the bitter test of life and actuality. Those close to you may feel that your continual disappointments are a deception on your part, a refusal to face life.

Venus Square Neptune (orb: 00 16')

You don't always say just what you mean. For that matter, you may sometimes not even know how you feel about something. You tend to envy people who can always put their finger on how they feel. It can be hard for you to talk about your feelings. Any partner will have to understand this about you. Are you often moody? Yes, probably.

Moon Opposition Mercury (orb: 00 26')

Others sense in you the presence of much energy, almost a tension. You may tend to have trouble just relaxing and find yourself always on the go, doing things. This aggressiveness could lead to undue competition and striving. You may have a sense that you can't always trust your drive and feelings. There also could be a tendency to buck authority, in particular, powerful men.

Sun Square Mars (orb: 00 47')

It may have been hard to get emotional support over the years, and your temper has not always been a help to you. You have had to work a lot of problems out for yourself. While you do have a lot of motivation and energy, often there is some difficulty in getting it channeled in useful directions. Sometimes you feel that others don't like you. You require a partner that can give you lots of emotional support. There could be a basic ambivalence with your mother, or with women in general. You may not feel like working.

Moon Square Mars (orb: 02 26')

You really put a lot of feeling in what you say. Others sense in you high energy and a certain tension that's always there. You have a quick mind, an even sharper tongue, and God help anyone who is foolish enough to try arguing with you. You tend toward impatience and irritability. Those who are close to you know that you often bitterly regret what you may blurt out in an instant.

Mercury Square Mars (orb: 02 52')

You are torn between the impulse to stand on your own feet, and a need to be cared for and nurtured. Your independent streak may be ashamed of the need on your part for love and affection. It's a no win situation. This could also be re-enforced by a mother and father who may have worked at cross purposes. The resulting tension will have to be dealt with gradually and methodically.

Moon Opposition Sun (orb: 03 14')

The last of the big spenders! You are by no means conservative, and overindulgence of all kinds is sort of second nature. You tend to ignore the realities of life in favor of the perks. This may bring you hard up against natural or human law, again and again. No one can accuse you of lacking ambition. The straight and narrow is unappealing to you. You would rather range along the fringe. A nonconformist.

Venus Square Jupiter (orb: 03 54')

Your Relationship with Franklin D. Roosevelt

In Franklin D. you sense that here is someone who instinctively understands and is supportive of your deepest hopes and dreams -- all that is best in you. You were probably good friends right from the start, and this friendship may be very important to you . You both could be part of a group or a cause, and matters of conscience and ideals are something that you both can get behind. When you are with him, your more altruistic ambitions and aims seem to come to the fore.

His Moon in Your Eleventh House

Meeting Franklin D. has got to be good for you, at least for your health and personal habits. He is sure to give you a hand at implementing all those many projects that you have never gotten around to doing, like eating better, cutting down on this, and so forth. He is really able to get you to work on taking care of these kinds of details. And he cares for you in about every way you could imagine. Where else could you get this kind of service? In many ways he is your own conscience come alive. Working hand and hand with him should take a great burden off your mind.

His Sun in Your Sixth House

The two of you have a great rapport. There is mental kinship. In fact a talk session with Franklin D. almost amounts to therapy for you both. There is a real sense of mutual reflection. It would be hard for you to find a more productive intellectual companion. It is possible that you may work together in some public way through speaking, writing, investigating. A real meeting of the minds.

His Mercury in Your Seventh House

He appreciates your sense of duty and concern for others. Time spent together tends to enhance these qualities in you. You may not have known how much you care about life and other people before you met. You find yourself taking better care of yourself, by attending to the details and odds & ends of your life. He values you for your more conservative qualities and tends to see you as painstaking and particular when it comes to attending to details.

His Venus in Your Sixth House

He tends to be gung-ho when it comes to community affairs and group projects, a real driving wheel. He loves to bring friends together and get everyone motivated. He manages to get you involved in all kinds of group-related affairs that you might not otherwise try. He may sometimes drive everyone a little mad with his ambition and idealism. He has the best intentions in the world.

His Mars in Your Eleventh House

There are real career opportunities in knowing Franklin D.. He may be the key to providing you with insight as to how you can improve your position or social standing. He has an obvious

integrity and sense of fairness that could serve to make you more upright and respected. He has the capacity to show you the way to more practical control and achievement. A great business partner.

His Jupiter in Your Tenth House

You are going to have to put your money where your mouth is when it comes to matters of truth or morality, for Franklin D. will tolerate nothing but a straight gate. You will tow the line. He could be a great help to you in separating the wheat from the chaff from among your many philosophies or grand ideas. On the other hand, you could get the idea that you are immoral just because you don't happen to be as strict as he is. It may be difficult to travel.

His Saturn in Your Ninth House

Franklin D. has an unusual, original, way of appreciating or caring for you. The way he shows affection is different, and this could make for an interesting friendship. Or he might introduce you to alternative ways of financing or making money. His ideas on handling your resources and providing for yourself may be just the ticket. Whatever else, they won't be just more of the same.

His Uranus in Your Second House

Franklin D. could have a strong effect on your motivation and career direction. You may find him inspiring and able to give you a clear picture of the ideal possibilities of your work. He is capable of generating great enthusiasm on your part, and you are easily enchanted by his images and words which can have an almost numbing effect on you. If you work closely together, this can have a very beneficial effect on your attitude. If you get too far apart, the whole thing can take on an unreal quality.

His Neptune in Your Tenth House

Franklin D. exercises a very powerful influence over you, one that could change your career. Here is someone who knows more about what you ought to be doing with your life and career than you do, and he is not afraid to let you know about it. From the first time you met, he probably jumped right into your business and started making suggestions -- and they were right on the money. The net result is that you may go through a major transformation as to what you do with your life through knowing him.
